- Covering Standard Medicaid benefits for about 3,000 individuals age 18 or older, with Severe Disabling Mental Illnesses (SDMI) who qualify for or are enrolled in the state-financed Mental Health Services Plan (MHSP) or the Waiver, but are otherwise ineligible for Medicaid benefits and either:
 - Have income 0-138% of the federal poverty level (FPL) and are eligible for or enrolled in Medicare; or

- Have income 139-150% of the FPL regardless of Medicare status (they can be covered or not covered by Medicare and be eligible);
- Covering the Aged, Blind, and Disabled Dental Treatment Service expenditures above the \$1,125 State Plan annual cap; as this population is exempt from the annual Dental Treatment Services cap;
